5           **B. Discovery remaining**

6           Discovery in this case has been ongoing and additional discovery remains to be completed,  
7 including, but not limited to: Depositions of each party or the party's representative;

- 8           1. Depositions of various third parties;  
9           2. Subpoenas to various third parties;  
10          3. Additional written discovery;  
11          4. Meet and confer regarding allegedly deficient discovery responses; and  
12          5. Possible motion practice regarding allegedly deficient discovery responses.

13          The Parties reserve their right to take additional depositions based on information disclosed  
14 in produced documents or obtained in the depositions the Parties have identified.

15          **C. Reasons why discovery will not be completed within the time limit of existing  
16 deadlines**

17          This case arises from complex and largely disputed facts pertaining to, among other things,  
18 (1) the disposition of millions of dollars in loan proceeds disbursed by HASelect to Debtor Infinity  
19 Capital Management, Inc.'s ("Infinity") prior to the filing of its chapter 7 case, (2) alleged  
20 transactions and transfers between Infinity and Defendants, (3) the status and disposition of Infinity  
21 assets pledged as collateral for HASelect's loan, and (4) Defendants ongoing business activities  
22 through IHS. Investigation of this matter has required the review of extensive documents relating to  
23 business operations as well as documents obtained from several nonparties. This case is also  
24 intertwined with the related adversary proceeding between HASelect and Tecumseh-Infinity  
25 Medical Receivables Fund, LP, Adv. No. 21-01167, which has affected certain deadlines in this  
26 case. The Parties have worked diligently by engaging in discovery from the outset of this case, but  
27 the extent of the documents at issue in this matter are voluminous and require additional time for  
28

1 review. There are also outstanding issues regarding allegedly deficient discovery responses that will  
 2 require that the Parties meet and confer, which may also require motion practice.

3 The Parties believe that, given the situation as it presently exists, discovery cannot be  
 4 accomplished by the current deadlines contained in the operative order [ECF No. 29]. This  
 5 stipulation to extend the existing discovery deadlines is brought in good faith and not for the purpose  
 6 of delay. Based on the information presented in this Stipulation, the Parties believe that good cause  
 7 exists to extend discovery as proposed in order to permit the Parties to ensure that discovery is  
 8 conducted in a thorough manner.

9 **D. Proposed amended discovery schedule**

10 Based on the foregoing, the Parties have agreed to extend the remaining discovery deadlines  
 11 by approximately ninety (90) days as follows:

<b>Event Deadline</b>	<b>Current Date</b>	<b>Proposed Date</b>
Close of Fact Discovery	7/7/2023	10/2/2023
Expert Disclosure Deadline	7/7/2023	10/2/2023
Rebuttal Expert Deadline	8/1/2023	11/2/2023
Expert Deposition Deadline	8/25/2023	12/1/2023
Dispositive Motion Deadline	9/15/2023	12/22/2023
Final List of Witnesses and Exhibits	9/29/2023	1/15/2024
Expected Trial Ready Date	10/17/2023	2/15/2024
